

ELITE ULTRASOUND GROUP is HIRING!!

Looking for dual modality (general and vascular) registered technologists to work PRN across Albuquerque and Santa Fe.

Elite has contracted ultrasound services with both Presbyterian (Main and Santa Fe), PresNow, as well as free-standing ABQER and hospital to service their ultrasound needs on an on-call basis. Before you dismiss the idea of call..... we offer call advantages you won't find anywhere else.

- Flexible scheduling
- No corporate management
- Hourly call pay
- Highest Per-Exam pay in industry (per exam, not per patient)

Make 2-3 times more per shift with Elite than your shift work at the hospital. We are looking for dependable, highly motivated, patient-care oriented team members to join our rapidly growing presence in New Mexico. If you are looking for a fun, easy second job – Elite Ultrasound Group is the team to join. If you are looking for a second job or PRN position but don't want to take call, we have shift work available as well.

Please email your resume to Erin Menikos at erinmenikos@yahoo.com along with your contact information and work availability. You may also reach her at 817-291-6303.
